KAZU: IT'S FLYING!

As I sit here striving to come up with some profound words of wisdom to inscribe in the first KAZU Program Guide, I can't help reflecting on the progress made by the ASWSU Radio Broadcast Committee and the otherwise independently eager beavers who worked at trying to get the amazingly intangible idea of KAZU off the ground and into the air - even with phrases like "It'll never fly, Orville," echoing in the 3rd floor CUB stairwell.

Although our facilities aren't exactly ideal - our office resembles a dorm room; our control room, a phone booth; our budget, miniscule; our experience, questionable; our record library, imaginary - it'll fly. How? Only through the frantically resourcefulness of the Radio Broadcast Committee and the extreme generosity and foresight of people like the Regents, President Terrell, the Dads' Association, Chuck Esworth, Ron Bloom, most of the ASWSU Assembly, and the Q-ball himself, Mark Likers.

Now that the phrases like "We don't need another radio station" and "It'll never work" are being replaced with "Why don't you play this instead of that," I can't help wondering if maybe we need still another radio station.

Bill Stewart

MONDAY

7:00 am THE BILL SHARPSTEEN SLEEP-IN SHOW

"Why not roll over and listen to some easy music instead of getting out of bed right away? Bill plays mostly soft rock, with an occasional cooker to kick up some dust and shake open the eyes. Be ready for an occasional surprise. After all, this is progressive radio."

7:30 am KAZU NEWS AND INFORMATION

THE UNCLE ERNIE SHOW

"Klassikal Musik for your sensual and intellectual pleasure!"

11:00 am THE DAVE AUSTIN SHOW

KAZU NEWS AND INFORMATION

1:00 pm GARY WAGNER

"Welcome my friends to the show that never ends. Music ranging from mellow to semi-hard. All areas considered. Music from A to Z with a few touches of comedy. Emerson, Lake, and Palmer, Moody Blues, Beatles, Chic Corea. UZZZ, Comedy, and soft rock.

3:00 pm UP FROM THE DEEP

"Progressives and more progressives. From Billy Cobham, to Gentle Giant, and back to the Tubes. If it plays good, feel it. Anything and everything is truly up from the deep. Don't be confused -- just give a listen. With Tom Wallace.

3:30 pm KAZU NEWS AND INFORMATION

LOST IN THE OZONE

"With Robert Seafrost; surely the boss. Boogie-woogie, sedimentary rock. 50s revivals, and nostalgia for aging hippies."

5:00 pm KAZU NEWS AND INFORMATION

BILL STEWART

"Mostly mellow study music, but Bill has been known to flip out once in a while with such features as Hank Howdy and his sidekick Slim. Predominantly Jazz."

9:00 pm THE CRY IN YOUR BEER RADIO SHOW

Earth man Ralph sez: "More pain than comedy. This is the only show on radio catering directly to the self-destructive, nihilistic, and otherwise unhealthy. Jackson Browne, John Coltrane, Jerry Jeff Walker, Theonius Monk, Bonnie Raitt, Mose Allison, and Suzanne Allman all had the wrong idea. What do you want -- to do about it?"

KAZU PROGRAM GUIDE STAFF: Jon Ethernont, Bill Stewart, and Tom Wallace. Cover art by Dave Ryming

With Monty Zuma "Monty's been a certified mental deviant for several years now, and he's guaranteed to play and do weird things on the radio, and also play some good music. His favorite artists include Yes, Blue Oyster Cult, Genesis, Monty Python, Martin Mull, and ELP, just to name a few."

10:00 pm PSYCHODRAMA THEATRE

with George Allen "Mostly English and Continental rock from Yardbirds, Kinks, Jeff Beck, The Who, King Crimson, Tangerine Dream, Yes, Rocky Music, up to the Sex Pistols, Elvis Costello, the Jammed, and the Vibrators. Also selective truly American artists. (not just imitators of English groups) such as Jackson Browne, Bruce Springsteen, Warren Zevon, Spirit, and the Band. Obscure artists are also a specialty of my show. Included are Captain Beefheart, the Legendary Stardust Cowboy, Syd Barrett, and Eno."

SATURDAY

8:00 am THE DOCTOR DEKILL SHOW

8:00 pm= THE DETERMINISTIC MUSIC SHOW with Jon Etherington
 "Surrealistic view of music. Music as art and vice-versa. All mistakes are intentional."
 9:00 pm THE FRESH FRUIT RADIO HOUR
 "A review of some of the best albums produced by a comedy group which was ten years ahead of its time five years ago. Music to eat great clusters by."

SUNDAYS

7:00 pm EDWARD HYDE PRESENTS: MUSIC FOR TROGLODYTES
 "Mr. Hyde begins his program with 'Caught in the Act' or 'The Second Ending' which are locally recorded concerts featuring such groups as Heart, Tarwater, The Mike McCallum Band, and Gabriel. Under pressure from Sir Danvers Carew (Music Director of KZU-FM) the hideous Mr. Hyde has grudgingly consented to mix a bit of progressive reactionary jazz and red-neck '60s country music in with the usual onslaught of delicate acid rock, heavy metal rock, space rock, old rock, stoner rock, new rock, sedimentary rock, metamorphic rock, granite, felspar, pumice and patent medicine. Also words of odious wisdom as 'Vinson Speaks'...
 THE OBSCURE ALBUM HOUR with Russ Wheelhouse
 "Basically music of an outer space, stoned out, strange instrumental nature. Usually like this: First song - most often heard by a wide audience. Second song - from a group that is fairly well-known and then a segue into a song by an unheard of group in an unheard of way."
